DOCKET NO. 2008-14-T - ORDER NO. 2008-201
MARCH 27, 2008

IN RE: Application of Upward Endeavors, LLC d/b/a) ORDER APPROVING
 Two Men and a Truck of Greenville (District) FUEL SURCHARGE
 4) for Approval of up to a Five Percent (5%))
 Fuel Surcharge)

 This matter comes before the Public Service Commission of South Carolina (the Commission) on the application of Upward Endeavors, LLC d/b/a Two Men and a Truck of Greenville (Upward Endeavors or the Company), filed January 9, 2008, for approval of an increase in the Company's present fuel surcharge. This request is filed pursuant to 26 S.C. Code Ann. Regs. 103-190, et seq. Upward Endeavors presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina as granted by Commission Order No. 2002-219, dated March 26, 2002, issued in Docket No. 2002-25-T.

 By its application, Upward Endeavors requests to increase its current two percent (2%) fuel surcharge to a five percent (5%) fuel surcharge, computed on the total regulated charges assessed to the Company's customers.

 Upon receipt of Upward Endeavors' application, the Commission's Docketing Department instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the application. The purpose of the Notice of Filing was to inform interested parties of the application of

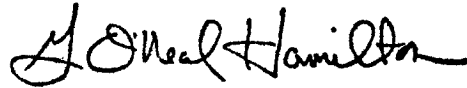

Upward Endeavors and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) conducted an impact study in response to the application of Upward Endeavors. On March 4, 2008, the ORS filed its report and findings with the Commission. ORS advises that Upward Endeavors has not had an increase in the Company's fuel surcharge since the Commission approved Upward Endeavors' 2% fuel surcharge by Order No. 2005-540 on October 3, 2005. According to ORS, the average price of diesel fuel in September, 2005, was 270.2 cents per gallon. As of January 7, 2008, the average price of diesel fuel was 336.6 cents per gallon. Applying these fuel prices to a matrix, according to ORS, shows that Upward Endeavors request for an additional three percent (3%) fuel surcharge to be considerably lower than the percent of increase in fuel prices since the Company's last fuel surcharge request in 2005. Based upon its analysis, ORS advises that it supports Upward Endeavors' request for an additional fuel surcharge for a total of 5%.

We have considered the application and the ORS impact study and have concluded that the proposed addition of a 3% fuel surcharge to the Company's current tariff by Upward Endeavors, LLC d/b/a Two Men and a Truck of Greenville is just and reasonable. Accordingly, the application of Upward Endeavors, LLC d/b/a Two Men and a Truck of Greenville is approved as filed.

This Order shall remain in full force and effect until further Order of the Commission.
